

AI in Action: Practical Tasks for Middle Leaders

**Friday 23 January 2026
09:00 - 11:45, Winchester**

Following our series of senior leader AI events during 2025, you are warmly invited to join a face-to-face workshop exploring how AI can be used successfully to solve practical management tasks.

Who should attend?

This seminar is designed for middle leaders in primary or secondary schools. Heads of department/subject leaders, faculty leaders, Key stage coordinators and pastoral leaders.

What will I get from the session?

- A chance to work together with other curriculum leaders to solve problems that are important to you using AI.
- Time to evaluate AI solutions and reflect on their efficacy.

What should I bring to the session?

Please bring your laptop and be ready to access subject management and leadership tasks.

Location:

Ashburton Hall, Elizabeth II Court,
Hampshire County Council
Winchester, SO23 8TG

Cost:

This event will be free.
