

Emergency school contact - update for Summer 2026

Dooley, Jane

Data Collection and Compliance Lead

Please use the link below to review and update your school's **Emergency Contact Details**.

The Emergency Contact database is a critical resource, enabling the County Council to contact your establishment during out-of-hours periods and school holidays. Please be assured that this information is held securely and treated as confidential, with access limited to a small number of authorised officers within Children's Services and Emergency Planning.

Please ensure your school's Emergency Contact Details are checked and updated before **Tuesday 30 June 2026**.

Given the importance of this information, and the fact that it is only accessed in the event of an emergency, we kindly ask that you review your school's entry and make any necessary updates.

It would also be helpful if arrangements could be put in place for your details to be reviewed and updated on a **termly basis** going forward.

For further instructions on how to update your school's Emergency Contact Details, please follow this link:

<https://bit.ly/HantsSchoolsECS>

Deadline: Please submit your updated details by **Tuesday 30 June** so everything is in place before the **summer holidays**.

If you experience any issues completing the form, please contact dqc.team@hants.gov.uk

Thank you for helping us keep everyone safe this summer.
