

Free Termly Attendance Network Webinars 2023-24

All School Attendance Leads are invited to attend termly network meetings in order to share current practices, stay up to date with legislation and guidance, and seek support and advice to improve attendance rates.

These meetings are aimed at all phases, suitable for primary, infant, junior, secondary and special schools.

Presented by: Beverley Murtagh, Secondary Inspector/Adviser, HIAS
Pauline Martin-Ellis, Attendance Co-ordinator, Children's Services

Learning outcomes:

- Information relating to current attendance figures, locally and nationally
- Increased knowledge of legislation and guidance materials
- Awareness of training and legal support available from the LA
- Sharing of strategies that can help improve attendance
- Signposting and sharing of current reports, books, and texts to support thinking and planning related to attendance
- Opportunities for inter-school support and sharing of success stories
- Exploring 'real-time' case studies, drawing on expertise of others, including approaches to exclusions.

Additional information

- Relevant reading may be sent out prior to the meetings for interest rather than specific discussion.
- Each network meeting can finish with questions on anything related to attendance. It would be useful for these questions to be submitted before the meeting to ensure they can be answered accurately.
