

Hampshire Secondary Leaders' Annual Conference

21 March 2024

Schools as agents of social justice: nurturing opportunity, equity and inclusion for our pupils

Secondary headteachers and up to two senior leadership team colleagues are warmly invited to attend the Hampshire Secondary Leaders' Annual Conference on 21 March 2024.

In addition to the opportunity to work alongside each other, share our current experiences, and provide networking support, the morning is an opportunity to reflect on our shared values in best meeting the needs of young people in increasingly challenging times.

David Gregson, is chair of the [Gregson Family Foundation](#) which serves to support a number of causes related to improving social justice and civic society, young people's wellbeing and social mobility, and environmental issues. He is also the founder of [#BeeWell](#). He will join us to share both his work in these fields, emerging findings from the [#BeeWell](#) project in Hampshire, and then help us shape the co-ordination of our future work through strengthened collaboration.

Throughout the morning there will be the opportunity to debate issues around enterprise, the notion of culture versus strategy, and great leadership.

We are also awaiting confirmation from The Rt Hon Damian Hinds, MP for East Hampshire and recently appointed Minister of State for School, as to whether he is able to join us.

Dates: Thursday, 21 March 2024

Time: 8:30 – 12:30

Location: The Holiday Inn, Telegraph Way, Winchester, SO21 1HZ

Cost: Hampshire maintained schools and academies who have paid their annual subscription set out in the memo of understanding are entitled to up to three free spaces per school.

A charge will apply for any academies that have not paid their annual subscription.

Please confirm your attendance by completing the [Hampshire Secondary Leaders' Annual Conference booking form](#).
