

Hampshire and IOW PDL Conference

Supporting boys in developing healthy relationships

This is a day event where PDL leads in primary and secondary schools will be provided with the opportunity to hear from national and local organisations about strategies and receive learning materials to support thinking, with young people around healthy relationships. This will include how to challenge stereotypes and expectations of boys from society as well as supporting young people to maintain healthy mental health.

Keynote – Beyond Equality

Beyond Equality began as schools (Great Men) and university (Good Lad) projects, both of which used interactive conversations with young men and boys to give them the chance to think about who they would like to be and to discover how they could help to create safer and equitable communities. They will talk about the work they are doing with schools across the country.

Nimue Miles - Hampshire Student. Advocating and campaigning for student voice and curriculum change on sexual harassment and equality.

Workshops:

- **Beyond Equality**
- **Supporting mental health in boys** – Senior Clinical Psychologists from Forensic CAHMS – Dr Jonathan Bigg and Dr Tanya Griffiths
