

# Making Headway 22-23

## A Leadership Programme for aspiring Deputy Headteachers, Assistant Headteachers and Heads of School.

### Previous delegates said....

*'MH has given me far greater clarity across the board as I move from being a middle leader to a senior leader. I feel that I have built relationships with many other colleagues and that my understanding of the educational profession has been broadened and deepened through the reading we have done as part of this programme. I feel far more equipped to respond to problems at school or to lead initiatives thanks to the training we have received. Fundamentally I feel inspired and encouraged that this is the right step for me and that I can do it!'*

*'Confidence boosting'*

*'An open and honest look into leadership'*

*'A chance to challenge yourself and your thinking'*

*'An opportunity to explore the delicate dynamics within a school and the part that leadership plays in this'*

### Aims of the Programme are to:

- Prepare delegates for the role of senior leader
- Challenge, motivate and inspire delegates to become future educational leaders
- Ensure delegates have a clear and pragmatic understanding of the role of the senior leader and the challenges and tensions of school leadership
- Support delegates in understanding their own strengths and identifying areas for future personal development
- Prepare delegates for the interview and selection procedure
- Develop delegates confidence in their own ability to provide leadership that will make a positive difference to the lives and life-chances of children
